Kansas Day 2017

The Coffey County Historical Museum's annual fundraiser, Kansas Day, was held at the museum on Saturday, January 28, 2017.

Children participated in free Pioneer Activities throughout the museum. Activities included rope making, candle dipping, butter

churning, yarn dolls, and coloring pages. The train set was ran by Sam Somerhalder and Ron Nehr in the Asbury Gallery.

A silent and a live auction were also held during the event with auctioneer, Cameron Roth. The auctions and donation jars raised over \$2,500 combined to

help with the restoration of the Rural Dale Schoolhouse and Bethel Church at the museum.

The Lebo Methodist Church served lasagna, bread, salad, and cookies during the event. The proceeds from the meal went to the church for missions and youth outreach.

More photos on the next page.

Church & School Restoration

Funds are still being raised to help restore the church and school. The buildings received a foundation lift in 2013. The splits in the siding on the buildings were filled to temporarily fix it until we have funds to replace the boards in poor condition with new boards.

The interior of the building still needs repaired. The last two fundraising events, Night at the Museum: Gatsby Edition and Kansas Day, were fundraisers for the restoration of the buildings. We are also collecting money for this cause. A donation form is located below if you are interested in donating to help restore the church and school buildings. A huge thank you to all of those who have already donated (see List of Donors) and to those

who have already attended our fundraisers.

If you have any questions regarding the restoration or how to donate, please contact the museum at (888) 877-2653.
